WE DESIGN FURNITURE WITH LIFESTYLE

SOF Furniture Private Limited

For over a decade, SOF Furniture has been a beacon of excellence in the world of interior design. With a relentless commitment to quality and craftsmanship, we have curated an exquisite collection of furniture that transcends time and trends. Each piece is a testament to our passion for creating lasting beauty and comfort in your spaces.

Drawing from our 10-year journey, we have honed our expertise, blending innovation with traditional artistry. Our skilled artisans work tirelessly to bring you furniture that exudes elegance and durability. We take pride in using premium materials, ensuring every creation meets the highest standards.

SOF Furniture has become synonymous with sophistication and reliable service. Our loyal customers trust us to deliver beyond their expectations, as we continuously evolve to meet their evolving needs. Embrace a timeless experience with SOF Furniture, where our journey of excellence continues to shape your dream spaces.

We are Certified with ISO 9001: 2015 for the quality Management System & ISO 14001:2015 for the environmental Standards.

Our Products are available to our customers through our distributors and dealers' network across India.
